Dear Jackson & Michelle,

TESTIMONIAL ON VIRTUAL TEAM HUNT EVENT FOR KUMPULAN PERANGSANG SELANGOR BERHAD (“KPS BERHAD”)

It is with much enthusiasm that we are writing to recommend the event conducted by FGNC Event Management (M) Sdn Bhd (“FGNC”).

2. KPS Berhad had conducted the first ever virtual team hunt which organised by FGNC on 30th November 2020, Monday. We were completely satisfied with the overall event which includes the planning of the program, briefing session, and the event day itself.

3. FGNC team did an excellent job in meeting our expectations. They were always punctual in meeting and always attend to our questions patiently with fast responses in any comments or amendment in the program outlined. With very reasonable price, they managed to do exactly what we require them to do, for the staff satisfaction and joyful event for the Company.

We are delightful to recommend FGNC’s services as an event organiser, specifically on this Virtual Team Hunt. Do not hesitate to contact us for any inquiries.

Thank you,

Sincerely,

On behalf of KELAB SUKAN DAN REKREASI PERANGSANG SELANGOR
